Company Profile

Brazilian Direct, Ltd., founded in May 2002 by **Dan Cosgrove**, brings quality solid exotic hardwood flooring direct to the USA, offering you the best value in the industry for Brazilian Cherry hardwood and many other South American hardwood flooring species.

Dan works as a liaison between floor manufacturers, marketing agents, architects and contractors, with the goal of providing quick and affordable installation and application of hardwood flooring and finishing systems for his customers.

About Dan

Seventeen years of experience in the hardwood flooring industry selling floor finishing systems (Minwax/Dura Seal Division & Basic Coatings).

Six years of experience selling hardwood flooring.

Two years of experience working with one of the best importers in the industry, WFI Wood Flooring International.

Extensive knowledge of exotic species imported from all over the world, and of coatings applied to the South American hardwood flooring species.
